

SAI KALYAN DADDANALA

Hyderabad, Telangana | +91 9100149687 | d.sai.kalyan07@gmail.com | <https://saikalyan-portfolio.github.io/>

PROFILE SUMMARY

IIM Kozhikode MBA with ~4 years of experience across program management, strategy, operations and investment compliance. Established PMO, anchored client onboarding and led key initiatives across multiple projects, implemented AI solutions and drove process improvements. Supported investment compliance for a global fund portfolio worth ~\$80B. Built live products with 200+ users, backend logic, analytics and feedback.

EDUCATION

Indian Institute of Management (IIM), Kozhikode
Master of Business Administration (MBA)

June 2023 – April 2025

Bhavan's Vivekananda College, Hyderabad
Bachelor of Commerce (B.Com)

June 2017 – Sept 2020

PROFESSIONAL EXPERIENCE

ANNOVA SOLUTIONS

Program Manager

April 2025 – December 2025

- Increased associates' productivity by 33% - streamlining SOPs, restructuring KPIs along with the implementation of a cost-effective AI solution for a major client in the firm's portfolio.
- Reduced client escalations by 50% by introducing a quantitative risk assessment matrix for early risk detection and mitigation, used RAID logs to document risks enabling stable delivery and SLA adherence.
- Rebuilt processes for better ROI and sustained value realization using Six Sigma and Lean frameworks.
- Facilitated product development for two B2B SaaS platforms by coordinating roadmaps, agile sprint planning and UAT cycles across internal teams, ensuring timely deployment and delivery to align with strategic goals.
- Established the project management office (PMO) aimed at improving leadership visibility on active projects.

FRANKLIN TEMPLETON

Compliance Business Analyst L2 – Investment Compliance Division

August 2020 – June 2023

- Monitored compliance for 120+ EMEA funds of \$80B+ AUM, ensuring adherence to investment policies and preventing trade-execution violations across portfolios.
- Facilitated 10+ IPO clearances and 5+ fund launches, enabling timely go-live through prompt regulatory reviews and coordination with fund managers.
- Streamlined Bloomberg-based workflows saving 300+ analyst hours through rule-based automation process.
- Developed ESG screening mechanisms across 50+ funds, ensuring alignment with sustainability mandates and evolving EU regulatory frameworks.
- Detected and escalated a \$15M erroneous trade in real time, preventing trading error and a financial penalty.

PROJECTS

[Project Portfolio](#)

- FIFA World Cup 2026 Bracket App: 200+ users, backend logic, API-based result syncing and leaderboard.
- Consumer Wellness MVP: Curated weekly activities, digital journal entries. (testing demand for paid features)

SUMMER INTERNSHIP

Landmark Group

Retail Strategy and Operations Intern

April 2024 – May 2024

- Developed NPS based ranking model for stores, led competitor benchmarking to optimize SKU availability, assortment and pricing and created store expansion strategy for tier-1 metro cities.
